

Printing Game Cards

Game Cards are generated through GotSoccer and need to be brought to the field for EACH game. These are to be printed from your GotSoccer [team account](#). If you are unsure what your team account login credentials are, contact your club administrator.

- Once logged into the team account, you will see the events the team is currently registered for on the home page. For the event you need the game cards for, click on “View” in the schedule column to the right. In most cases, this will be a TCSL league or tournament.
