Players and substitutes shall not change numbers or remove their jerseys prior to the completion of the game without specific permission of the referee.

The color of a team’s jerseys may be different from the color of the team’s shorts and or soccer socks. Team are expected to wear home kits, as published by the League. In the event of a conflict, assuming the Home team is wearing the appropriate Home jerseys as published, the Away team must change. Goalkeepers shall change jerseys as the referee directs, regardless of the home/visitor status.

Teams may elect to display sponsorship on their team jerseys.

7.4.2 Shin Guards

8.1 Determining League Winner

In the event of a tie for first place in the standings at the completion of the season’s regular game schedule, the winning team will be decided by the following tiebreakers, in order:

- Head-to-Head
- Goal differential
- Most goals overall
- Fewest goals allowed
- Number of shutouts

9.0 Administrative & Game Regulations

9.1 League Scheduling

The TCSL schedule is created by the League Office after teams have registered and submitted blackout dates. The resulting schedule will contain pairings and dates. Home teams are responsible for acquiring a field and time, and corresponding with their opponent to secure the time.

9.1.1 Team dropping after team formation

If a team is to drop after league schedules have been created, generally a week or two following applicable Technical Advisory Panel meetings, the guilty team OR club, at the discretion of TCSL, will be fined $1,500.
9.1.2 Reschedules
With the exception of weather-related reschedules, rescheduling games to different dates is not permitted, unless written approval is obtained from the League Office.

9.2 Home Team Responsibility
The Home team is responsible for the condition of the playing area including the proper field markings, and proper equipment. Nets and corner flags are required. Goals must be anchored. If the referee determines that the field is not playable (including unanchored goals) due to improper conditions (unrelated to weather), then the home team will forfeit the match and be responsible to absorb the full cost of referee, assignor and field rental fees.

9.3 Position of Team Area & Spectators
Spectators for each team will take a position on the opposite side of the field than the valid Coaches and rostered players.

9.4 Scheduled Start Time
At the scheduled time for the match, the minimum number of players will constitute a team and the match will start at the scheduled time. There is no permissible waiting period to wait for additional players to arrive at the game site.

9.5 Incomplete Games
In the event a game cannot be completed, the game counts if half the game was completed. If there is no result and the match is suspended prior to the expiration of one half, the games shall be repeated at a date and time agreed upon by the competing teams.

9.6 Forfeits

9.6.1 Termination of Matches
In the event of any team directly responsible for the termination of the game due to poor sportsmanship toward referee, opposing fans or opposing players, TCSL may impose a forfeit. In addition, TCSL may assess a fine of $1,000 to the team’s club.
9.6.2 No-Shows
A no-show occurs when a team willfully does not show up to a game agreed to by the teams, or does not have the minimum number of US Club Soccer-eligible players to begin the match. Penalties for no-shows are as follows:

- 0-3 loss to guilty team
- Minimum $500 fine to guilty team’s club

9.6.3 Acts of God
A team unable to attend a scheduled game because of an accident, weather or act of God should immediately notify the opponent and the TCSL League Office, who will enter a decision.

9.7 Illegal Players
An Illegal player shall mean any player who does not have a valid, unexpired and age appropriate U.S. Club soccer player pass presented to the referees officiating the match, OR any player that participates in a match and is to be serving a suspension for that match. The US Club Soccer pass must specifically display the player’s date of birth and membership to the participating club. Club is assessed a $1,000 fine; coach is banned from coaching for one (1) year starting from date of match; team cannot win the division for that seasonal year. Second occurrence with the same club in the same seasonal year will result in additional sanctions, up to and including being banned from TCSL competition.

9.8 Fines for non-completed matches
TCSL’s expectation is that teams fulfill their entire League schedule. Fines may be assessed, up to $500.

10.0 Reporting of Scores
It is the responsibility of the referee to submit game reporting following each match within 24 hours. If teams notice that scores are not yet reported, they are able to update scores either via an online interface or call-in option, as outlined below. Note that the Event ID and PIN will vary based on the season/event. For example:
11.0 Bad Weather and/or Poor Field Conditions

11.1 Inspection of Playing Site
It shall be the home team Coach or team manager with the Club’s designated governing authority’s responsibility to inspect the game field prior to the match. In the event of bad weather or poor field conditions, the Home Team’s Club Official, after inspection of the field, must notify the League. This communication and decision must be made three (3) hours prior to the scheduled match.

11.2 Both Teams Must Appear
Unless communication exists otherwise, regardless of weather and/or field conditions, Coaches and their teams must appear at the match site, ready to play at the scheduled time of the match, or forfeit the match. Once any part of the three (3) notification period has lapsed, the Referee is the only person authorized to cancel the match. In the event that weather and/or field conditions are questionable for playing the match and the Referee fails to appear, the decision to play or cancel is granted to the Home team.

11.3 Games Terminated by the Referee
Should the match be terminated by the Referee prior the completion of one full half of play, for reasons of bad weather, poor field conditions, or darkness, the entire game must be replayed.

11.4 Availability of Home Field
Should a Home team find itself without a match site due to circumstances beyond the control of the team and/or Club, the Home Club’s Primary Contact must notify the League no later than three (3) hours prior to the scheduled time of the match.

11.5 Change Scheduled Match
Under no circumstances will a Coach, team manager or any other Club representative change a scheduled match or reschedule a match without permission from the League. Should this occur, both teams will forfeit the match and will be responsible for their share of the referee and associated assignor fees.

11.6 Change of Match Site
Should there be a last minute change to a match site; the Home Team must provide a person at the original site to escort the Referee and the Visiting team to the new site.
11.7 Inclement Weather: General Guidelines

The safety of the players, coaches, management and spectators are of primary concern during any weather event that occurs during a match. The referee has final say over delaying a game due to weather (with the exception of tournament events in most cases, where tournament administrators generally own this responsibility). Waiting to stop play may result in a serious injury or loss of life. Act responsibly when dealing with such events during all games.

To determine the distance of lightning in your area, count the number of seconds between the flash and the first sound of the thunder and divide by five. This will give you the distance in miles from your location. Remember, if you are in a higher elevation, the lightning can come upon you much quicker and your reaction time is greatly hindered.

1) When lightning is sighted within (10) ten miles of the venue, determine movement and status and begin making preparations for a potential delay in the game.

2) When lightning is sighted within (6) six miles of the venue, stop the game immediately and clear the field and stands regardless of time played in the match. Lightning can strike at any time without warning within this proximity. Wait at least thirty minutes after the last lightning strike to resume play. Agreement must be reached between teams and referee whether the game is to be abandoned at its current status. Under no circumstances should the potential outcome of the match be a deciding factor whether a match shall continue in unsafe conditions.

3) If the venue is the highest structure in the surrounding area, get spectators out of the stands and into a protected area as quickly as possible when lightning is within five miles of the venue. The structure/stands will act as a potential lightning rod for the storm and create much danger for those in the immediate area.

4) If severe weather warning is issued during game, determine vicinity to venue and prepare to delay game. It is vital to know your exact location to be able to take immediate actions should conditions warrant it.

6) Be sure to send all players, coaches, and spectators to their vehicles - nobody shall be on or near the fields or lights.

7) Be smart when dealing with potential weather threats.
11.8 Inclement Weather: Taking Action

11.8.1 Recognizing the threat

1) Apply the 30-30 rule. When you see lightning, count the time until you hear thunder. If this time is 30 seconds or less, seek proper shelter. Wait 30 minutes or more after hearing the last thunder before leaving shelter.

2) Obey the rules established by the community park lightning detection and warning systems.

3) Minimize the risk of being struck. Protect the safety of all participants by stopping activities quickly, so that participants and spectators may retire to a safer place. If you can hear the thunder, you are within reach of lightning.

4) Remain calm to prevent panic by young players.

11.8.2 Seeking Proper Shelter

1) No place outside is safe near thunderstorms

2) The best shelter is a large, fully enclosed, substantially constructed building. A vehicle with a solid metal roof and metal sides is a reasonable second choice.

11.8.3. Avoid most dangerous locations, such as but not limited to:

1) Higher elevations

2) Wide open areas, including fields

3) Tall isolated objects, such as trees, poles, or light posts

4) Unprotected open buildings

5) Rain shelters

6) Bus stops

7) Metal fences and metal bleachers

12.0 Ejected Participants

In instances where coach or player has been ejected from a game, the Referee will hold the U.S. Club pass cards, confiscate the pass, and submit a match report via GotSoccer. The referee does not need to mail the pass to the league office. The coach’s/player’s club will reissue the pass after the suspension has been served in full.
12.1 Suspended Coach
A dismissed Coach will receive at minimum, a two-match suspension. Any Coach who has been placed on suspension is not permitted to participate in any manner whatsoever in League matches during the suspension. The suspended person is not permitted to be present at the site of a match or areas immediately adjacent.

12.2 Suspended Player
Players receiving a red card will receive a one-match suspension. In certain cases, TCSL may decide to add to the suspension length. Any Player who has been placed on suspension is not permitted to participate in any manner whatsoever in League matches during the suspension. A suspended player may be dressed in street clothes in the bench area. Any further incidents with the suspended player will result in additional sanctions.

12.3 Red Card/Coach Dismissals - Serving Suspension
A player receiving a red card or a coach dismissed from a match in League play must serve the suspension in League play. A player/coach may not serve a suspension in a non-TCSL tournament.

12.4 Red Card/Coach Dismissals - Tournament
If a player receives a red card or a coach is dismissed from a non-TCSL sponsored tournament, they are not required to serve the suspension in upcoming League match(es). The club may elect to impose sanctions, and TCSL reserves the right to impose discipline should the reason for the red card/dismissal warrant action. In no case shall these decisions be protestable. All decisions are final.

13.0 The Referee

13.1 Player Verification
- Game Roster Form - each team shall provide to the referee an official TCSL roster. Players may be hand-written on the roster.
- Verify the Player’s Identity - The Referee shall verify the identity of the players represented on the player’s pass by inspecting the Player’s photograph, which is on the pass. If a player does not furnish an appropriate pass, the player may not participate.
- Verify Written Data - the Referee shall verify that the Player’s pass indicates the correct Club name and age group.
- Discrepancy in the Data - Should there be a discrepancy in the Age Group, and/or Club name, the player shall be permitted to participate in the match. The Referee shall retain the pass and shall forward the Player’s pass in question, with his/her
report, to the League, which will administer disciplinary action for any or all infringements and violations regarding Player eligibility.

13.2 Referee Reports
The referee shall submit via GotSoccer a referee report for each match officiated within 24 hours.

14.0 Recruiting Policies
The following code of ethics is meant to cover the recruitment of players:

14.1 Player Contact Initiated by Adult
Coaches and adults (including club personnel, and parents of players) are not allowed to contact any players from another TCSL club, as long as the player(s) in question are bound to another club.

14.2 Contact Initiated by Player
If a player initiates contact with a coach during regular season play, the coach must ask the player if they are committed to another TCSL club. If so, then the player will be asked to inform their current club of their intent to try-out for another club before any further action may be taken, and the current club must agree to said tryout or training. The League expectation is that clubs will communicate clearly and honorably through this process.

14.3 Entire Teams
TCSL clubs are not allowed to acquire teams from another club within the TCSL to bring into their own organization, unless permission is obtained in writing. Club mergers are exempt.

15.0 Player Transfers
Players will be bound to a member club when they have agreed to accept a roster position and paid part or all of the member club registration fee.

Tryout fees cannot bind a player to a member club; this is a fee to tryout only.

Clubs may hold tryouts for 8U-11U after the league season has concluded, and for 12U+ after the conclusion of Summer Cup.

Any player bound to a member club cannot transfer once registered to the member club except in exceptional circumstances.

Such circumstances are:
● A change of living location that makes it difficult to commute to current club.
● A team that player registered for does not come to exist.
● Both clubs must agree to any player transfer after a player is bound to a member club.

Any disagreement regarding a player transfer will be resolved by the TCSL League Office. The intent of this rule is for clubs to communicate honorably throughout this process.

15.1 Player Transfer Process
The official league form will be used for player transfers and both member clubs must fill out and sign all parts. Link to form is here:

The releasing club will sign after the receiving club has provided the team information that the player is transferring to. Releasing club will submit Player Release Form to the TCSL, along with $100 to be paid by the player to TCSL.

There is no deadline regarding player transfers as both clubs must be in agreement regarding the said transfer.
